RULES FOR USING THE CERTIFICATE:

This Certificate may only be used provided the normative document specified on Page 1 remains valid.

The Certificate may only be used as a certificate for the products specified on Page 1. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the products changed without the consent of the Engineering Test Institute, Public Enterprise, in such a way that conformity with the technical requirements specified on Page 1 has been affected.
